Approved For Release 2000/08/08 : CIA-RDP96-00789R002000920003-6 SG1J

SRV EN<u>VELOPE, 11 JUNE</u> 1987

Site involves a white, solid object with darker colors associated. Object is rounded, with outer edge of it a series of straight lines, as in "octagonal" or "hexagonal." Object is of a different quality in the center, less solid. People are involved with this object who make decisions and guide other people to perform necessary actions, which are official though not necessarily openly discussed.
